

# Tumble dryer

# Dryer featuring exceptional savings and effortless use

### Priority on people

Certified ergonomic design with a human-centered approach for an outstanding user experience

- · Lint filter
  - The horizontal filter drawer is positioned for easy access and cleaning without the need to bend down
- · Large door opening for easy loading and unloading
- · Easy access to vital parts from front and rear for simple servicing
- Simple use operational panels with selection of temperature and time for easy operation and selection

# Long-term savings

Innovative features to save money and time, and embrace a sustainable lifestyle with excellent water evaporation efficiency per kWh

- Moisture Balance (optional)
   Helps to stop the drying process at the right time to save on energy costs
- The coin version with Ecopower to avoid over drying of the garments and get a lower energy consumption

### Pure control

Monitor your equipment and performance from anywhere, allowing to take action and to improve your business with OnE Laundry - the personal assistant for hygiene validation management, process management and revenue management (optional)

# Outstanding productivity

Dry more laundry in less time: a game-changing improvement

- Reversing drum
  - Minimizes wrinkles and drying time to get an effective and even drying performance with 2 full loads per hour per pocket

### Main options and accessories

- Payment: coinmeter with Ecopower
   The coin version with Ecopower to avoid over drying of the garments and get a lower energy consumption
- · Stainless steel drum, Stainless steel front
